All the time spent in the driver education car is for a **LEARNING EXPERIENCE**.

All the students in the car can learn from the correct and incorrect actions done by the driver, while they are in the backseat **observing**.

New York State Laws:

Please read carefully below. Many laws have changed in the past 6 months.

Parents are **NOT** allowed to practice driving with their children.

- The law states that you **must** have a **Dual Brake Vehicle** and a **Driver Education /Driving School License** to practice driving with an unlicensed/permit driver in all five boroughs. (You must be 18 to practice the "old Way", with a licensed driver)
- A **New York Permit** is **NOT** accepted in other states to drive, you must be a resident of that state.

As of February 22, 2010:

- If you are 16 years old, and would like to take a road test before your 17th birthday, you must have the 3 items below:
- Hold a permit for 6 months from the date it was issued. For example, if you let your permit on 9/24/2010, you can take your road test after 3/24/11.
- Form MV 262 With Parent Signature - which will be given to you by your In-Car Driving Instruction.
- For MV 285 - you will receive this when you have completed Driver's Education. this will be mailed to you.

DRIVING IS A LARGE RESPONSIBILITY,

The privilege of driving comes with maturity and a full understanding of the Laws and Rules of the road along with proper skills behind the wheel.

Have a great and safe driving year!
