January 10, 2018

Dear Student:

As a Vice Principal of Faculty and Students, it is my pleasure to congratulate and welcome you to St. Joseph by-the-Sea High School. This is an important first step in your higher education learning experience. You have been on a long winding road to get here, from TACHS classes, Open Houses, Tours, Barbeques, Boys/Girls Night and finally waiting endlessly for the results of the TACHS test.

But now it's done and 9<sup>th</sup> grade is right around the corner. This will certainly be an exciting year at St. Joseph by-the-Sea and we are looking forward to you being a part of our school family. Every student will receive an iPad, but our focus has been and will always be on the valuable relationship between our students and our teachers, administrators and support staff.

So be assured that I am here to assist you and your family in your transition to high school now and throughout your time here at St. Joseph by-the-Sea.

Yours sincerely,

Robert Richard  
Vice Principal
