November, 2018

Dear Parents:

November is traditionally recognized as the month of All Souls because we celebrate All Souls Day on November 2. It is part of the Church's teaching on the communion of saints, which is a sharing of spiritual goods between the Church Triumphant (the Saints), the Church Suffering (in Purgatory), and the Church Militant (us).

Report Cards will be distributed on Thursday, November 8 and Parent/Teacher Conferences will follow from 1:30PM – 3PM and 7PM – 9PM. Please remember that in order to receive a report card all financial obligations must be satisfied.

Likewise, I would like to highlight some of the fine work being done by our Fine Arts department. The Viking Players will be presenting their rendition of *The Man Who Came to Dinner* on Thursday, November 15 at 7:30 PM, Friday, November 16 at 7:30 PM, Saturday, November 17 at 7:30 PM, and Sunday, November 18 at 3PM. I hope you will find an opportunity to come and see these young people shine on our stage.

I also want to highlight the work being done by Dr. Guariglia with the Institute for Scientific Research. Eight Sea students were invited to present their work at the Society for Neuroscience Conference in San Diego. Their work is original and represents a unique contribution to the field of Neurotoxicology – they will be the only high school students in the world making such a presentation.

The Father/Daughter Dance is on Saturday, November 10 at 7:00 P.M., which is a wonderful night for the girls and their dads. It's a Family Association event, which means you can use your Fair Share Coupons to attend.

As always, I am available and eager to address your concerns about these or any other matters. Please be assured that you and your family are in my daily prayers and I hope to see you during the month of November.

Faithfully In Christ,

Fr. Michael Reilly
Principal
